

COVID-19 Relief Offering

August 1,
2020

“It seems like every time I feel like just giving up God does something amazing. He pulled me back from the brink of being another suicide statistic.”

- Sarah*

From coast to coast to coast ADRA, in partnership with the Seventh-day Adventist Church in Canada and Adventist Community Services - North American Division, has been helping people like Sarah*, a foster mother. Sarah was no longer able to buy enough food for her family and was tearfully grateful for the food basket she received.

**More help is urgently needed.
